Live Video Simulcast with ambience effects, zap shots, and picture slideshows

1 HD Plasma Screen

| 2 HD Plasma Screens

Large plasma screens are mounted on two of our 8-foot trussing towers to simulcast your entire party in full effect. Your first dance, candle lighting, and all of your guests partying will be vividly shown on our 50" liquid plasma screens for all to see. Digital still photos (zap shots) of your guests, music videos, special effects and custom graphics will also be broadcasted throughout the evening. After the party, we will send you the new digital pictures with the highlights of your event on DVD with pre-selected music.

These are truly incredible and mind lasting additions to your evening's entertainment!
