

Why Should I Choose Vibrations Entertainment?

With 101 reasons why you're considering our services, we're guessing it's mostly because of our TOP 21.

1) Professionalism:

Vibrations Entertainment is a professional and fully licensed mobile DJ Entertainment company servicing clients in need of quality

music, audio, video, and lighting entertainment in the NY-NJ-CT Tri-state area. Our goal is to provide each client with an

experienced, responsible, and dedicated performer to satisfy all your entertainment needs.

2) Experienced:

Vibrations Entertainment is now a decade strong with experienced full time staff and highly qualified DJ entertainers. With over 30

years of combined talent in the industry, your next event is guaranteed to be an enormous success!

3) Dress Code:

Impeccably groomed entertainers assure you that your DJ performer will be dressed most appropriately at your upcoming event,

whether it be formal or casual. Vibrations Entertainment adheres to a strict dress code that is carefully reviewed during your

consultation.

4) Personable & Knowledgeable:

Vibrations Entertainment will always privilege your event with courteous, talented and personable staff members who are ready to

make a mind lasting impression at your next exciting event. Have peace of mind knowing that your event is being managed by fully

knowledgeable DJ's and Emcees in the industry with technical know-how, and an authentic smile. :)

5) Passion for our Business:

10 out of 10 people agree that teaming with professionals who have a passion for what they do shows clearly through their actions. If

you haven't already seen us in action, check out any of our live showcases or stop by for a free consultation!

6) Certified, Licensed, and Insured:

Vibrations Entertainment is an active member of N.A.M.E. (National Association of Mobile Entertainers) and is fully insured to satisfy

the liability* requirements of all catering halls and public venues.

*Liability insurance limited to \$2,000,000.00 per venue/per event

7) Highly Diversified:

Our talented staff members remain busy year 'round with all types of formal affairs. These include but are not limited to: Wedding

Receptions, Bar/Bat-Mitzvahs, Sweet 16's, corporate events, Anniversaries, fund-raisers, block parties, and much more. No matter the

type or size of your event, we've been there, we've done that...and we're always ready to do it again!

8) Signed, sealed, delivered:

All bookings are in writing. Vibrations Entertainment provides each client with an itemized, worry-free client contract built from the

ground up with copies made available to you. Competitive pricing is standard with any of our party packages because we know the

value of your dollar!

9) State of the Art Equipment:

Vibrations Entertainment encompasses the latest in professional sound and lighting equipment. These include Mackie & Cerwin-Vega

speakers, Denon dual CD players, RANE, Denon & Newmark mixers, Crown & Crest Audio amplifiers, Shure & Sennheiser wireless

microphones, and much more. Our sound systems are tailored to the size of the banquet hall. It is important to remember that only

professional mobile DJ equipment sounds good when played for long periods of time.

10) Convenient and Comfortable:

Vibrations Entertainment welcomes you to our very own offices in Brooklyn or Staten Island, New York where you can surround

yourself in a rich entertainment atmosphere; view videos, slideshows, check out our professional audio/visual equipment and meet our

friendly staff. Complimentary refreshments are available to all our customers*. Don't drive? Not a problem! We'll provide you with

a comfortable, at-your-home consultation free of charge and with no obligation**

* customers by appointment only

** five NYC boroughs only

11) Personalized:

Our business caters to your musical tastes by tailoring the evening around your party's theme. Close attention to detail and careful

observation of your crowd gives us the edge to maintain a viable dance floor and keep the party moving!

12) Music media:

Vibrations Entertainment plays 100% digital music which consists of CD's and high quality MP3's (on laptops). Each DJ takes with

them at least 15,000 songs on approximately 700 CD's catered to your musical needs. Our music library is catalogued by title and artist

13) Musical enjoyment:

Equipped with over 60,000+ songs in our music library, your DJ entertainer is guaranteed to have all of your pre-requested music

before your event. As a long time subscriber to Promo-Only Music, Vibrations Entertainment only plays fully censored or "on the

radio" hits to ensure everyone enjoys what they hear no matter the era or genre. Please request a list, or [click here](#) for a

complete list of popular music categories and song samples.

14) Special requests:

Do you require your DJ to play special requests? If the answer is "yes", know that your DJ entertainer will be happy to play special

requests throughout the evening. Furthermore, you can feel safe knowing that your DJ will use his judgment or even consult with you

should he find any requests somewhat questionable. This also goes for anyone at your event who might ask to use our microphone

without prior consent from you or the guest(s) of honor. Request cards can also be placed on each table at your event upon request.

15) References:

The majority of our business is from repeat clients and venue referrals. Our customers refer us to their friends and family members

because they know we deliver! Our impressive corporate clientele roster and wealth of referrals* will give you peace of mind

knowing that we always perform to perfection.

*References furnished upon request

16) I'll be there for you:

How does it feel to know that you didn't just hire an average DJ? With Vibrations Entertainment, your scheduled performer is also

your own personal entertainment consultant! From the time we first meet until the last dance of the evening, we will walk you through

all of the formalities, timelines, and the do's and don't's of your event to ensure it is an all-around success. By nature, friends help.

And we strive to establish these same personal relationships to give you the comfort of knowing -you've always got a friend in the

business.

17) We've got you covered!

When it comes to dependability and reliability, you know you can count on Vibrations Entertainment. From our on-site backup

equipment to our emergency staffing, your event will always make it to the finish line...even if you're not contracted with us! Always

remember our toll free number 1-800-321-PARTY

18) Ease of payments:

Vibrations Entertainment accepts several types of payment which currently include: Visa, MasterCard, Discover, and American

Express as well as online payments such as Paypal and Billpay. We also accept personal, company, and certified checks, money

orders, and official Vibrations referral vouchers.

19) Fine-tuning follow-ups:

Communication has been paramount in the success of our company. You will notice the special interests we take in making sure we

perform to your best expectations. In a strong effort to gauge the level of service we provide to our future clients, we ask that you

simply complete our online survey as soon as possible. That future client just may be YOU!

20) Earn cash with referrals!

Vibrations Entertainment lets you earn money for referring customers in need of quality DJ Entertainment in New York, New Jersey,

Connecticut, & now Pennsylvania. If a client books our professional entertainment services...you get paid!*

*Sign up for our newsletter to learn how.

21) Your Satisfaction is Guaranteed:

We value each and every one of our customers with equal regard, no matter the size of your event or location. Why? Because our

President and founder, Al Douglas (Aldo), has a very personal understanding when it comes to true party entertainment. He firmly

believes that "when you work with individuals who love what they do for a living, you are guaranteed only the best". That is why your

satisfaction as a valued customer is always guaranteed, and Aldo will always personally see to that.
